Ms. Karen Blevins  
Bed Rock, Inc. dba  
Tri-State Motor Transit Co.  
PO Box 113  
Joplin, MO 64802

Dear Ms. Blevins:

Thank you for asking about the change in EPA ID Numbers in connection with your Missouri Hazardous Waste Transporter License. According to Ms. Mary Williams, who issues EPA ID Numbers, the number you are using, MOR000505347, has been discontinued. The number you used previously, MOD095038998, is now reinstated as your EPA ID Number to use as both generator and transporter.

I regret the confusion caused by this number switch. If you have any questions about the matter, please call me at (573) 751-7560 or write to me at the Missouri Department of Natural Resources, Hazardous Waste Program, PO Box 176, Jefferson City, MO 65102.

Sincerely,

HAZARDOUS WASTE PROGRAM

**Mileage Based Rate Table  
All Points CONUS**

Instructions for completing table:

This table is for rates from all points to all points in the continental United States only. The table is to be completed for each type of equipment listed. If you don't offer the type of equipment listed, you are to indicate that it is not available from your company by the symbol N/A next to the equipment. Columns 3 and 4 are where entries are to be placed. NO additional charges may be placed on this table. If you offer additional equipment that is not listed on this table, it must be listed on a separate sheet of paper and be included with the tender and the appropriate box indicating that it has been attached must be checked.
